Oman LNG L.L.C.

HSE COMMITMENT

In Oman LNG we are all committed to:

- ❖ Pursuing the goal of no harm to people.
- ❖ Protecting the environment;
- ❖ Using material and energy efficiently and minimising waste.
- ❖ Developing our products and services consistent with these aims.
- ❖ Consulting with our stakeholders and publicly reporting on our HSE performance.
- ❖ Managing Health, Safety and Environmental matters as critical business activities.
- ❖ Promoting a culture in which all Oman LNG's contractors and employees actively demonstrate personal commitment to our HSE Policy
- ❖ Promoting practical means to support Sustainable Development in The Sultanate of Oman.

In this way we aim to have an HSE performance we can be proud of, to earn the confidence of our customers, contractors, suppliers, shareholders and society at large and to contribute to sustainable development.

HSE POLICY

Oman LNG shall:

- ❖ Manage Health, Safety and its Environmental responsibilities through a documented HSE Management System which ensures continuous improvements in its performance.
- ❖ Comply with all relevant legislation, regulations and agreements it has entered into.
- ❖ Set and measure targets for improvement and appraise and report performance.
- ❖ Require contractors to manage HSE in line with this policy.
- ❖ Include HSE performance in the appraisal of all staff and reward accordingly.
- ❖ Report its HSE Performance annually.
- ❖ Use its influence to promote this policy with whom it does business.
